REASONS FOR ALLOWANCE

2. Claims 1-5 are allowed.
3. The following is an examiner's statement of reasons for allowance:

As per claim 1, the prior art of record taken alone or in combination fails to teach said controller interconnecting said pilot burner assembly and said storage device to initiate said PILOT-ON mode, said storage device powering said pilot burner assembly to terminate said OFF mode, said thermo-electric assembly providing a potential to power said heating system and said controller during said PILOT-ON mode and said ON mode; said controller storing at least a first status threshold related to said storage device and periodically receiving said first status parameter, said controller maintaining said PILOT-ON mode in lieu of said OFF mode whenever said first status parameter and said first status threshold have a predetermined relationship.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
